

ISPE TABLE TOP RESTRICTIONS

1. Only one exhibiting company per table will be authorized. Each individual company must have a separate table.
2. Exhibits must be staffed at all times during exhibit hours. Exhibits may be staffed by a maximum of two representatives at a time from each company.
3. Exhibits should be as simple as possible and must conform to the following:
 - The entire exhibit must be confined to the top of table only (nothing will be allowed to hang off, be located underneath, behind, in front, or along side of table).
 - The maximum height of any display, including lights, signs, etc., shall be 60 inches from the top of table.
 - The maximum width of any display shall be 72 inches. Displays must not overhang top of table.
 - Only static displays are acceptable. No operating machinery of any type will be allowed. **Computer terminals and monitors are acceptable.**
4. ISPE reserves the right to restrict table top exhibits which are objectionable because of size, noise, glaring or flashing lights, method of operation, or any other reason and, therefore, to prohibit or evict any exhibitor who, in the opinion of ISPE, may detract from the overall good of the exhibit. This reservation includes person, conduct, printed matter or anything ISPE judges to be objectionable.
5. Any failure to comply with the above restrictions shall result in exclusion from participation in future ISPE table top events.
